Gloria:

Paragrah 34 does not make sence because it refers you to 35.

I will be sending out this as a DRAFT (w/ the Action Memorandum) under my signature this afternoon. (I will cleanup the Table of Contents and remove any redline, meanwhile). I informed the NORCO that they would be receiving this. My letter will indicate that the AOC is a **draft** subject to any changes from management. Let me know before this afternoon if you see any glaring issues; I'll correct them before I send it.

The meeting with the defendant is scheduled for Thursday, September 11, 2003. No time yet. The agenda will include the removal action and this order.

Thank you,

Gloria
